## Prior Authorization Requirements for Arizona Complete Care Medicaid

Effective January 1, 2022

## **General Information**

## **General Information**

This list contains prior authorization requirements for care providers who participate with United Healthcare Community Plan in Arizona Complete Care Medicaid (ACC) Program for inpatient and outpatient services.

Additional state variations and regulations may apply. Please check the latest COVID-19 guidance, requirements and coverage mandate from your state. To request prior authorization, please submit your request online or by phone:

- Online: Use the Prior Authorization and Notification tool on UnitedHealthcare Provider Portal. Go to
   <u>UHCprovider.com</u> and click on the UnitedHealthcare Provider Portal button in the top right corner.
   Then, select Prior Authorization and Notification on your Provider Portal dashboard.
- Phone: 866-604-3267

## Important Information

- To be eligible for prior authorization, services must be covered benefits as outlined and defined by the Arizona Health Care Cost Containment System (AHCCCS).
- Services provided by non-network health and out-of-state care providers require prior authorization and documentation supporting the out-of-network request.
- Experimental and investigational services are not covered benefits.
- All rendering providers, facilities and vendors must be actively registered with AHCCCS.
- Services delivered inside the Multi-Specialty Interdisciplinary Clinics (MSIC) to CRS designated /CRS formerly designated members do not require prior authorization
- Only one care provider may request services on a prior authorization request form.
- Only medically necessary, cost effective, and federally- and state-reimbursable services are covered services, as outlined by AHCCCS.

Procedures and Services	Additional Information	CPT <sup>®</sup> or HCPCS Codes and/or How to Obtain Prior Authorization
Allergy immunotherapy	For members younger than 21: Allergy immunotherapy and allergy testing is covered under Early and Periodic Screening, Diagnostic and Treatment (EPSDT) when medically necessary. For members ages 21 and older: Allergy immunotherapy, including desensitization treatments administered by subcutaneous	
	injections (allergy shots), sublingual immunotherapy (SLIT) or another	

Procedures and Services	Additional Information		<sup>®</sup> or HCPCS o Obtain Pr		
Allergy immunotherapy (continued)	route of administration, is <u>not</u> a covered benefit.				
(,	Allergy testing, including testing for common allergens, is a covered benefit when the member has:				
	<ul> <li>Sustained an anaphylactic reaction to an unknown allergen</li> <li>Exhibited such a severe allergic reaction where it's reasonable to assume further exposure to the unknown allergen may result in a life-threatening situation. Examples include severe facial swelling, breathing difficulties, epiglottal swelling, extensive urticaria, etc. Prior authorization is required for allergy testing when it meets the criteria above</li> </ul>
