Prior Authorization Requirements for Arizona Long Term Care Medicaid

Effective December 1, 2021

General Information

General Information

This list contains prior authorization requirements for care providers who participate with United Healthcare Community Plan in Arizona Long Term Care for inpatient and outpatient services.

Additional state variations and regulations may apply. Please check the latest COVID-19 guidance, requirements and coverage mandate from your state. To request prior authorization, please submit your request online or by phone:

- Online: Use the Prior Authorization and Notification tool on UnitedHealthcare Provider Portal. Go to <u>UHCprovider.com</u> and click on the UnitedHealthcare Provider Portal button in the top right corner. Then, select the Prior Authorization and Notification on your Provider Portal dashboard.
- Phone: 800-377-2055

Important Information

- To be eligible for authorization, services must be covered benefits as outlined and defined by the Arizona Health Care Cost Containment System (AHCCCS).
- Services provided by non-network health and out-of-state care providers require prior authorization and documentation supporting the out-of-network request.
- Experimental and investigational services are not covered benefits.
- All rendering providers, facilities and vendors must be actively registered with AHCCCS.
- Only one care provider may request services on a prior authorization request form.
- Only medically necessary, cost effective, and federally- and state-reimbursable services are covered services, as outlined by AHCCCS.

Procedures and Services	Additional Information	CPT [®] or HCPCS Codes and/or How to Obtain Prior Authorization
Allergy immunotherapy	For members younger than 21: Allergy immunotherapy and allergy testing is covered under Early and Periodic Screening, Diagnostic and Treatment (EPSDT) when medically necessary.	
	For members ages 21 and older: Allergy immunotherapy, including desensitization treatments administered by subcutaneous injections (allergy shots), sublingual immunotherapy (SLIT) or another route of administration, is not a covered benefit.	
	Allergy testing, including testing for common allergens, is a covered benefit when the member has: Sustained an anaphylactic reaction to an unknown allergen	

Procedures and Services	Additional Information		PT® or HCI w to Obtair			
Allergy immunotherapy (continued)	Exhibited such a severe allergic reaction where it's reasonable to assume further exposure to the unknown allergen may result in a life-threatening situation. Examples include severe facial swelling, breathing difficulties, epiglottal swelling, extensive urticaria, etc. Prior authorization is required for allergy testing when it meets the criteria above. Beta Prior above.
